

A lecture by  
**John Carney**

**J**ohn Carney is acclaimed as one of the finest magicians in the world. He has won prizes at the FISM international conventions and has been voted *Magician of the Year* by The Magic Castle seven times. His books, *Carneycopia* and *The Book of Secrets* are considered by many to be a classics and two of the best magic books of the past decade.

This is an program that promises to be both informative and stimulating, packed with great routines and helpful advice.

*John is truly a man who understands magic.*

**Tommy Wonder**

*One of the best lectures I've ever seen ... excellent advice ... His tricks are superlative ...an expert in pure sleight of hand.*

**Dai Vernon**

*Carney has rediscovered and reinvented classic platform magic.*

**Teller**

*One of the top magicians around. A great creator, student and performer.*

**Charlie Miller**

*[The Book of Secrets] is more than just a new format for a magic book; its made me think about magic in a new way.*

**Jim Steinmeyer**

*In the past few years I have drifted away from being a true student of magic. John Carney has rekindled that flame.*

**Mike Close**
